Plymouth

From 2 Good Cookies, founded in Plymouth in 2018: “We had been baking cookies for the past four years, and every time they were shared, someone would say, ‘You need to make a cookie stand!’ After tossing the idea around for the last year, we took the leap and created 2 Good Cookies to share our love of chocolate chip cookies. We are also going to mix it up this season with our ‘Chip of the Week,’ that was inspired by 2 Good Cookies’ cookie-lover requests. When people ask us, ‘Why 2 Good Cookies?’ the answer is simple: Because one good cookie deserves another!”

- Turn one cookie over and place one (for a thin ice cream layer) or two (for a thicker ice cream layer) scoops of ice cream onto the bottom of the cookie.
- Place another cookie (right-side-up) on top of the ice cream and squeeze them together a bit to push the ice cream to the edges. Roll the edges in sprinkles, chocolate chips or nuts. Eat immediately or wrap in plastic wrap and place in freezer bag to eat later.
