

Dear Property Owner,

The City of Plymouth shows that you own a rental property. Please complete this form if you would like the utility account to be put in the tenant's name.

By state statute, delinquent utility bills are attached to the property, not the occupant, in the same manner as real estate taxes. An annual certification process assesses delinquent accounts that remain unpaid as of October 31 to the property owner.

There are two options for reviewing the tenant's utility account:

1. View the utility account balance at www.plymouthmn.gov/viewbalance.
2. Request a duplicate bill.
 - Please initial here if you would like a duplicate bill _____
